

Public-Health & Equity Funding Shortlist — March 2026

Prepared for: [Client] | Focus: public health, education, community equity | Applicant types: public-health depts, county/city govts, nonprofits | Floor: \$200K+/yr | Deadlines ~3 months out.

This sample shows the format and quality; funders are real, but the amounts and dates below are illustrative.

Funder / Program	Applicant type	Focus	Typical award	Deadline / LOI	Why it fits
Robert Wood Johnson Foundation — Health Equity	Nonprofits, coalitions	Health equity, community conditions	\$250K–\$500K	LOI ~Apr 2026	Prioritizes disparity-focused, community-led work
The California Endowment — Building Healthy Communities	CA nonprofits, public agencies	Community health, racial equity	\$200K–\$400K/yr	Rolling / ~May 2026	CA-eligible; strong equity + community-governance fit
HRSA — Health Workforce (federal)	State/local govt, nonprofits	Healthcare workforce & access	\$300K–\$1M	~Jun 2026	Direct match to healthcare-workforce priority
CDC — REACH	Local govts, community orgs	Health behaviors & access	\$300K–\$900K	~Jun 2026	Community-level, disparity-reducing outcomes
W.K. Kellogg Foundation — Thriving Children	Nonprofits, community orgs	Education, family & community	\$200K–\$450K	Rolling	Education + equity; family/community emphasis

Delivery format each cycle: 4–6 vetted opportunities in this table, plus a one-line “next action” per grant and links to each funder’s primary source. Repeats tracked so nothing is featured twice.
